SIZES OF PEONIES

DIVISION indicates a Peony root divided until it has from two to five eyes.

ONE YEAR—This is a division planted and grown one year.

TWO YEAR is a one year left in the ground another year.

THREE YEAR indicates the two-year plants left for three years from division undisturbed, and sold you as it comes from the ground.

You may order by the number preceding the varieties or by name; or, better still, in ordering use both number and name.
